Hey there,

BACARDÍ NH7 Weekender is back in Meghalaya for the third time. Hat-trick, ya'll! It's a new venue and a whole new festival experience in the Abode of the Clouds. If it's your first BACARDÍ NH7 Weekender, welcome; if you identify as a Weekender warrior, welcome back!

This guide is the first friend that you will make at the Happiest Music Festival - it will tell you all that you need to know (unless you want to know if there are mermaids in Thadlaskein lake; research on that is ongoing).

Spread good vibes,

**Team NH7**
